We can supply DOUBLE WINDOW ENVELOPES to accommodate all preprinted W-2 and 1099 forms which eliminates the need for corner card imprinting. As always, single window with corner card imprinting is available. All window envelopes are white-wove 24lb. paper and are tinted inside for 100% preprinted confidentiality. Our envelopes will accommodate all of the W-2 forms, 1099 forms and laser cut sheets in this catalog. **Self Seal** envelopes with Latex adhesive available where noted.
