

W-2 MAILER 2-WIDE

This Format Matches the 2-Wide Continuous
See page 21

The image shows two versions of the W-2 Wage and Tax Statement form. The left version is a standard form with a grid layout for data entry. The right version is a carbon interleaved format, showing the form with a grid of boxes for data entry, designed for continuous printing. Both forms include fields for employer identification number, wages, taxes, and employee information.
